## FAQs

### What are the requirements for credit?

- Be aged between 18 and 75
- Be a permanent UK resident and have lived at your address for longer than one year
- Have a debit or credit card
- Have a valid UK telephone number

### Will a credit check be performed?

Yes. DivideBuy uses a third-party credit reference agency to perform a credit check. This is used in combination with your entered details and our own unique algorithm to assess affordability.

### Will I have to pay a deposit?

Your first instalment is payable on completion of your order. In some instances, you may be required to pay a deposit based on a combination of your credit score, size of order and number of instalments selected.

### How many instalments can I Spread the Cost over?

Depending on the total value of your order and the Retail Partner, you may be able to Spread the Cost up to 12 monthly instalments.

### What happens if I want to end my agreement early?

DivideBuy offers the option to repay the remaining balance on your account at any point with no additional charges or fees to pay. You can do this by logging into your DivideBuy account on our website or by calling the Customer Service Team on 0800 085 0885.

### Are there any other charges or fees?

There is 0% APR interest and no setup charges, cancellation or hidden fees. DivideBuy reserve the right to add late payment fees to your account in the event of you missing payments. This is all explained in your credit agreement before you complete the checkout process.
